INT. LIVING ROOM - NIGHT

We start with an insane close-up on an eye.

It looks sad... concerned... perplexed... all at the same time.

The camera pulls back to reveal, Dustin, 256 years old but looks 22, pale skin... he's a vampire. But shhh.

He's looking at someone, longingly.

We hear her.

Kendra, early twenties.

KENDRA
(annoyed)
Dustin... are you listening to me?
Dustin?

DUSTIN
(bitterly, calmly)
I heard every word you said.

Finally we see her. She's gorgeous.

KENDRA
Then why aren't you answering me.

DUSTIN
I'm thinking... can't I have time
to think?

KENDRA
You're taking a century... I didn't
ask you that hard of a question.

DUSTIN
You don't know what a century feels
like, Kendra.

KENDRA
Answer the question. When can you
have all of your stuff out?

DUSTIN
Why? Why are you breaking up with
me? Just tell me that. I think you
owe me that.

(CONTINUED)

KENDRA
I don't owe you shit.

DUSTIN
(confused)
I didn't cheat on you. I didn't hurt you. I didn't lie to you. I don't know what I've done.

KENDRA
You didn't tell me the full truth.

DUSTIN
The full truth about what?

KENDRA
I told you already, none of that matters any more. What matters is getting you out of my life as soon as possible.

DUSTIN
(getting angry)
BUT WHY, KENDRA? WHAT DID I DO?

KENDRA
You have to leave, because if you don't... I'll have to kill you.

DUSTIN
Jesus. What the hell are you talking about? You sound crazy right now, do you know that?

KENDRA
(starting to cry)
This is breaking my heart. I don't want to let you go, but with the evidence I have against you, that's the only choice I have.

DUSTIN
I can't do this. If you're not going to tell me what I did then I am not going to accept you breaking up with me.

KENDRA
Then I'll guess we'll have to do this the hard way. But I think you're right. You at least deserve to know why I have to kill you.

(CONTINUED)

Kendra crosses closer to Dustin and pulls a picture from her pocket.

She hands it to him, terrified, and then looks away.

Dustin looks at it. He's in shock.

Kendra walks back to her original position, with her back to Dustin.

We see the picture.... it's Dustin, sucking the life (and blood) out of someone's neck, his own face covered in blood.

DUSTIN

I'm sorry I never told you I'm a vampire.

KENDRA

That's OK.

Kendra still has her back to Dustin.

DUSTIN

That's OK? Then why are you breaking up with me and threatening to kill me?

KENDRA

I mean, it's OK because there's something I didn't tell you either.

Kendra reaches inside her jacket and slowly pulls out a long, sharp wooden stake.

DUSTIN

What?

KENDRA

The reason I have never introduced you to my mother is because she is dead... she was a slayer.... and now she's dead.

DUSTIN

A vampire slayer?

KENDRA

Yes.

DUSTIN

So why didn't you tell me?

(CONTINUED)

KENDRA
Her name was Buffy.

Dustin eyes grow wide with terror.

KENDRA
And you killed her.

Kendra spins around and hurls the stake toward Dustin's heart.

BUT - he catches it.

Kendra looks shocked. She wasn't expecting that.

She rushes toward him to attack.

She lands a punch to his face, then another.

Then she goes for the third but he catches her first.

DUSTIN
I don't want to fight you!

She punches him again with her free hand.

DUSTIN
But I will.

He throws a punch back that sends her hurtling back.

She regains herself quickly.

KENDRA
That all you got?

Dustin lunges toward her.

They fight.

And I mean, they have a fuckin brawl.

The ninja fight each other for a while, punches, kicks, flips, all that good shit.

Then Kendra throws Dustin through a glass door and they take the fight to the streets.

EXT. A NEIGHBORHOOD - NIGHT

They use everything they can as weapons. Trash cans, sticks, walls, everything.

Finally, after quite a long battle, Dustin manages to get the upper hand and Kendra goes down.

He leans into her, licking some of the blood off of her open wound.

DUSTIN

Mmmm... you're strong. I can taste your strength, your fear and your anger in your blood... it's bitter.

KENDRA

The sad part is... I actually loved you... actually thought I'd give you the chance to live.

DUSTIN

But looks who's life is in who's hands now. If it helps, before I kill you, I want you to know, I loved you, too. Or, I thought I did. I realize now I was probably just drawn to your blood. The blood of a slayer. So maybe I never loved you.

Kendra looks INTENSE after hearing that.

KENDRA

Thank you.

DUSTIN

For what?

KENDRA

Making this easy.

STAB!

She sticks a wooden stake of some sort through his heart.

DUSTIN

I'm sorry.

POOF! The moisture drains from Dustin's body and he turns to dust.

Kendra pulls herself to her feet, dusting Dustin off of her.

6.

She looks up to the sky.

KENDRA
That was for you, Mom.

The camera pans up to the glowing moon and then...

FADE TO BLACK.
