

SANTA'S NAUGHTY LIST

INT. NIGHT BASEMENT

In a dim lit room we see John tied to a chair and looking like he received some sort of beating. He opens his eyes and notices his predicament.

JOHN

What's going on?

He looks up and sees a man in red and a smaller man in green

JOHN CONT

Who are you?

The man In red turns around he has a red hat and a white beard resembling Santa the man in green has pointy ears looking like a big elf

JOHN CONT

Jesus Christ Santa and his elf,
real fucking mature.

SANTA

I try teaching kids at a young age to do what's right. If your a good little girl or boy you get a hand crafted gift from my workshop. But if you're bad it's a simple lump of coal. Most children grow out of their bad habits after their first lump. Although some children never learn.

JOHN

Cut the Christmas character
bullshit who are you...

The elf grabs John to make him shut up

ELF

You're going to shut up and listen
to what Mr. Kringle has to say.

SANTA

Take little Johnny for instance, he thought it was fun to torture and kill animals so Each year I would give him coal to let him know I was watching.

JOHN

Yeah real funny, you think I'm gonna believe this crap?

The elf forces John back in his seat

SANTA

Little johnny grew up and decided killing animals didn't give him the rush it used to, so he decided to go after a little girl.

Santa picks up a knife and starts sharpening it

ELF

Little Cindy Lou, she was so nice that each present we made for her she gave to one of her school mates that had a less fortunate upbringing.

Santa turns around with the knife and stabs it into John's leg

SANTA

Grown up Little Johnny murdered Cindy Lou, put her in a bag and buried her in the middle of the woods.

ELF

It's been 10 months and still no closure for her parents hoping their little girl is still out there.

JOHN

Listen you got the wrong guy, I
would never do something like That,
please you gotta believe me.

The elf is whispering in John's ear while Santa grabs
another knife and a set of jumper cables attached to a
battery.

ELF

Do you need a refresher of his
song,

As Santa approaches John with the knife and jumper cables
Elf sings his song. Each beat Santa clangs the jumpers
together to make them spark

ELF CONT

He sees you when your sleeping, he
knows when you're awake, he knows
if you've been bad or good, so be
good for goodness sake.

JOHN

Please don't do this I didn't do
anything

ELF

Just confess to your murder and all
this will go away

JOHN

I told you I didn't murder anyone!

Santa plunges the second knife into John's Other leg

SANTA

No more games little Johnny you
either tell Santa where Cindy Lou
is or I am going to fry your sorry
ass.

JOHN

Your gonna kill me over some little
girl, you have no evidence. even if
you found the body you wouldn't

(MORE)

JOHN (CONT'D)

find anything tieing her back to
me.

Santa attaches the jumper cable and shocks John

SANTA

Wanna tell us where she is now?

JOHN

(Struggling through the pain)
I told you, I don't kno...

Santa Zap's him again and John yells out

JOHN (CONT'D)

Ok, ok.... she's a quarter mile
south of oval rock buried beside a
big oak tree... now please let me
go.

Santa and the elf exchange a look of fulfillment and we
hear a bang on the Door. John yells out to who's in the
house

JOHN (CONT'D)

Help! I'm down here, oh I got you
fuckers now!

As John turns back to Santa and his elf they are gone, cops
come in the door and see John no longer looking tortured
and there are no knives in his legs or jumper cables.
Instead there is a voice recorder on his lap with a letter
that says play me. Christmas music plays in the background
as we see the cops play the recording, credits roll over
the sound of the recording.

JOHN (CONT'D)

(Voiceover)

My name is John walker, earlier
this year I murdered a girl named
Cindy Lou. I then proceeded to bury
her out in the woods a quarter mile
south of oval rock next to a large
oak tree. You can't miss it.

The credits end and we hear Santa's voice

SANTA

Be good for goodness sake,
Hohohooooo
