INT. LIVING ROOM - NIGHT

A young couple sits on a couch, watching a horror movie.

Blood shoots across the TV.

LEAH
Awesome!

DOUG
Seriously?

LEAH
Fuck ya! That was awesome!

DOUG
These movies aren't scary. Like, at all.

LEAH
Yeah, I guess you're right. When you watch horror movies when you're little, they are scary as shit. You kinda become numb to it after a while...

DOUG
I don't think I've seen a movie that actually scared me in over 10 years.

LEAH
That's because they don't make scary movies any more.

DOUG
That's not true. They totally do!

LEAH
Name one.

DOUG
Insidious! That was kinda freaky.

LEAH
The only thing that scares me in horror movies are the cheap jump scares. Like when a killer pops out of no where...

DOUG
Or the boyfriend suddenly pulls out a knife and stabs the girlfriend to death...

(CONTINUED)

LEAH
Exactly.

DOUG
Ya...

Doug pulls out a knife and starts to stab Leah with it.

Leah SCREAMS!

LEAH
AHH! STOP IT!

Doug cracks up laughing.

It's a toy knife.

DOUG
April fools! Got ya!

LEAH
So not funny, Doug.

DOUG
C'mon, you have it admit it was
pretty good.

LEAH
Fine, but you have to admit that
this is better.

Leah pulls out a knife and stabs Doug.

This knife isn't fake.

Doug looks to Leah shocked.

She rips the knife out of him.

DOUG
What the fuck, Leah?

LEAH
God I've been waiting to do that
for so long.

She stabs him again.

LEAH
Wow! The second time is even
better.

(CONTINUED)

DOUG
Leah! Stop! What are you doing?

LEAH
It's called revenge... for fucking
my sister.

She stabs him again.

He coughs up blood and collapses.

LEAH
You really thought I didn't know,
huh?

She crouches on top of him and raises her knife high in the
air.

DOUG
(last breath)
I'm sorry... really...

SLAM!

She stabs the knife through his heart.

He's out. 86 Doug. Blood pools around him.

LEAH
Wow... I really do feel better.

Leah looks at Doug's dead body and smiles. She collects
herself and stands up.

Her phone rings.

She looks shocked! Almost as if she felt like the phone
caught her.

She picks up the phone.

LEAH
Hello?

VOICE
Hello.

LEAH
Who is this? I'm kinda in the
middle of something...

VOICE
I can see that.

LEAH
I'm sorry... what?

VOICE
You made a mess.

LEAH
Uhhhhhh.... what?!?! You can see me?

VOICE
Uh huh.

LEAH
Bullshit.

VOICE
I'm standing the closet.

Leah looks shocked.

She turns and looks toward the closet behind her.

LEAH
I don't believe you.

Suddenly she hears knocking, she's not sure if it's from inside the closet.

VOICE
See, I'm right here.

LEAH
What the fuck do you want?

VOICE
Come open the closet and find out.

LEAH
I'm gonna pass...

VOICE
Fine, then you can die right now, too.

LEAH
No! I'll do it! I'll open the closet.

(CONTINUED)

VOICE
C'mon. Do it.

Leah slowly makes her way toward the closet.

She reaches for the knob, hand trembling.

She slowly starts to open the closet but poses for a moment, scared.

She rips the closet open with all her might.

It's empty.

LEAH
What?

VOICE
APRIL FOOLS!

Click. The phone hangs up.

Leah closes the door, and leans on the closet, relieved.

GHOSTFACE appears and slashes her throat.

Leah's eyes are wide with shock.

She tries to cover the wound in her throat but blood just erupts from her hands.

Ghostface watches as her body slides down the wall and to the floor.

86 Leah.

GHOSTFACE runs out of frame.

We sit on a long wide shot, of both dead bodies on the floor.
