EXT. WOODS - NIGHT

We hear moans coming from the woods.

The camera pans around the trees until we find where it's coming from.

We see them... a couple banging on a rock.

There almost done, we can tell from their loud moans!

They finish and start to get dressed.

BOY

That was so hot, doing it in the woods.

GIRL

Ya, it wasn't too bad.

BOY

Hey!

GIRL

You did a good job, I'm just, like, over it. Spooky out here.

BOY

Ohhh... you're scared, huh?

GIRL

Maybe a little.

BOY

Don't be, I'll protect you.

GIRL

(sarcasm)

Oh ya, my knight in shining armor.

The girl looks at her watch.

It's 11:53pm.

She looks terrified.

GIRL

Oh my god, we have to go, right now!

She grabs all her stuff in a frantic hurry.

(CONTINUED)

BOY
What's wrong?

GIRL
Don't you know what today is?

BOY
Thursday?

She looks at her watch again, 11:54

GIRL
Yes, Thursday the 12th... that
means in 6 minutes it's...

BOTH
Friday the 13th.

GIRL
Let's go!

They grab the rest of their stuff and take off running.

Both of them look terrified.

They run and run and run.

BOY
How far is it?

GIRL
I don't know, it's an abandoned
Zoo, I have no clue what part we
wandered into!

She keeps looking at her watch.

11:55....

GIRL
FUCK!

BOY
We're lost!

GIRL
We still have time!

11:56...

GIRL
Come on! Come on!

11:57....

(CONTINUED)

She stops to rest, panting for breath.

GIRL
Shit... can't breathe... have to
run...

BOY
Let's go!!! Don't stop!

They take off running again.

11:58

She runs and runs...

She looks at her watch again

11:59

GIRL
It's 11:59! We're not gonna make
it!

BOY
Just keep running!

They're frantic!

Her watch goes off...

It's 12:00 MIDNIGHT...

FRIDAY THE 13TH!

The boy hears something behind him, he turns back, just for
a second and finds...

JASON!!

Jason raises his machete and starts to hack at the boy, who
screams!

The girls turns back and SCREAMS!

BOY
RUN!!!! FUCKIN RUN!!!!!!!!!!!!

Jason throws the now dead boy's body behind and pursues the
girl.

It doesn't take long, he catches up to her and kills her
real good.

CONTINUED:

4.

We fade to black as we watch Jason dragging her body behind him through the zoo/woods.

HAPPY FRIDAY THE 13TH.
